CASE NO. 05-14693

DECISION AND ORDER

At Fort Wayne, Indiana, on June 14, 2006.

The amended notice of motion and opportunity to object which trustee (hereinafter “Movant”) served in connection with its application to compromise controversy does not comply with the requirements of N.D. Ind. L.B.R. B-2002-2 because:

- a. The certificate of service accompanying the notice indicates that additional parties were served by reference to an attached list. No such list was attached.

Since this is the second time that creditors and parties in interest have not been given appropriate notice of the motion and the opportunity to object thereto, the motion is DENIED, without prejudice to resubmission.

SO ORDERED.

Judge, United States Bankruptcy Court
